

EXHIBIT F

PERMIT

Permission is hereby granted to the UNITED STATES OF AMERICA, acting by and through the Forest Service, USDA, hereinafter called the permittee, from the State of Idaho, acting by and through the Department of Lands, to use, subject to the conditions set out below, the following described lands:

(INSERT LEGAL DESCRIPTION HERE)

This permit covers a right-of-way ___ miles in length, ___ feet in width, containing approximately ___ acres, and is located upon the ground according to the survey line, figures, measurements, widths, and other references shown on the plat attached hereto and made a part hereof.

This permit is made subject to the following terms, provisions, and conditions:

1. This permit is subject to all valid rights existing on this date.
2. The holder, in exercising the privileges granted by this permit, shall comply with all applicable State laws, Executive Orders, and State rules and regulations.
3. The holder shall cut only such timber as necessary in clearing for road construction, reconstruction, and maintenance. Timber so cut shall, unless otherwise agreed to, be cut into logs of lengths specified by the State and decked along the road for disposal by the State.
4. The holder shall do everything reasonably within its power to prevent forest fires and shall not dispose of material by burning in open fires during the closed season established by law or regulation without a written permit from the State.
5. The holder shall repair fully all damage to State roads and trails caused by the Permittee in exercise of the privileges granted by this permit.
6. In consideration for this use, the holder has granted reciprocal rights-of-way to the State.
8. Construction of the road shall be in accordance with the specifications set forth in exhibit ___, attached hereto.
9. The holder shall provide maintenance so that the road will be in a condition equal to that normally prevailing on roads of like standard, and unless otherwise agreed to, shall construct leadoff drainage and water barriers to prevent erosion on the road as directed by the State.

10. Use of roads constructed under authority of this permit shall be subject to control by the holder, except that the roads shall at all times be open to use by State employees on official business.

11. The holder shall maintain the right-of-way clearing by means of chemicals only after the Area Supervisor has given specific written approval. Application for such approval must be in writing and must specify the time, method, chemicals and the exact portion of the right-of-way to be chemically treated.

12. In the event the road constructed on the right-of-way herein is included in a subsequent cooperative agreement for joint construction, the State shall treat the holder's construction costs as incurred under the agreement. In this event, the State shall replace this permit with an easement.

13. This permit may be terminated or suspended upon breach of any of the conditions herein or at the discretion of the Area Supervisor or the Director, Department of Lands.

14. Unless sooner terminated in accordance with the provisions of the permit, or revoked by the State, this permit shall expire and become void on _____(Date) .

The exercise of any of the privileges granted hereby constitutes acceptance of all conditions of this permit.
